# Multi/Dual/All Access

## Definition and Purpose
This defines the process that must be followed before any of the Multi/Dual/All Access parking accommodations/privileges will be granted by GT Parking and Transportation Services (PTS). The purpose of these types of access is to help facilitate business needs of the individual on behalf of GT. Multi / Dual / All Access allows employees to park on campus as outlined below.

## All Access
- Provides the customer with 24/7 access to all parking lots (gated or ungated) permitted parking spaces, with the exception of the following restrictions:
    - All Access is restricted in visitor Areas 1, 2, 3, 4, 7, 9, 10, E82, N171 (Atlantic Station), the Biltmore, Coda and all campus metered parking locations.
- Permit holders with All Access may park in the Area 6 visitor's lot, Tech Square parking deck, and E45 President's Lot.
- If an individual with All Access does not have a reserved stall in E45, they will need to use the call box at the entrance to find out which reserved stall they are able to use for parking, as spaces in E45 are specifically assigned to individuals and/or departments.
- Access for gated locations is provided to customers (by PTS) via their BuzzCard.
- There is an annual fee for ALL Access parking.

## Dual Access
- Dual Access provides the customer with 24/7 access to their primary permit location, and one additional location on campus.
- Access for any approved dual gated location is provided to customers (by PTS) via their BuzzCard.
- Individuals with Dual Access may park in the designated lot of their valid annual permit and choose one additional parking lot for a total of two (2) different lots.
- Dual parking is not offered in Areas 1, 2, 3, 4, 7, 9, 10, campus metered parking locations, E82, N171, the Biltmore or Coda.
- PTS reserves the right to decline or limit dual parking locations based on space availability.
- There is an annual fee for Dual Access parking.

## Multi Access
- Provides the customer with 24/7 access to all parking lots (gated or ungated) permitted parking spaces, with the exception of the following restrictions:
    - Multi Access is restricted in visitor Areas 1, 2, 3, 4, 6, 7, 9, 10, E44, E45, E48, E82, N171, the Biltmore, Coda and all campus metered parking locations.
- Access for gated locations is provided to customers (by PTS) via their BuzzCard.
- There is an annual fee for Multi Access parking.

## Rules and Regulations for Multi / Dual / All Access
- The access is supplemental parking access for faculty/staff and is valid from the date of purchase through August 14th each year.

- Multi, Dual and All Access must be used in conjunction with a valid Annual Individual or Carpool permit.
- The access may not be used with a SmartPark permit, Temporary or Evening/Weekend (E/W) permit.
- Privileges for Multi, Dual and All Access require approval by PTS.
- Faculty/Staff are required to provide written justification for their request for Multi, Dual or All Access and submit the request to GT PTS's Senior Director's office.
- Individuals that have been granted one of these access privileges in the past will not automatically receive it in the future.  Decisions to allow access will be decided on an annual basis.
- These parking access privileges are to help facilitate business needs of the department and departments may purchase these Access privileges on behalf of the individual.

## Restrictions
- A customer approved for Multi or All Access does not need Dual Access or an Official Business Permit (OBP).
- Permit holders must display their valid GT parking permit and register their vehicle in their Driver's Seat account to use Multi / Dual / All Access privileges.
- Multi, Dual and All Access permit holders may not park their vehicles in the Health Services parking lot, service vehicle stalls loading zones, or other "no parking" areas on campus.
- Vehicles parked in restricted locations will be cited and subject to impoundment.
- Parking and Transportation Services has the right to reserve lots/decks for event parking on campus.  Lots that are restricted for an event will be posted at the entrance to the lot, permit holders will be notified by email, and/or on our website at www.pts.gatech.edu.
- Parking and Transportation Services has the authority to close a lot for construction, maintenance or safety issues.  Permit holders will be notified in advance of their primary lot closures.
- All citations and other unpaid fees that are due to GT PTS must be paid prior to the issuance of Multi / Dual / All Access privileges.
- Access privileges will not be granted without proper payment, which should include PeopleSoft number and Document ID number, if being paid by a GT department.
- Students are not eligible for Multi / Dual / All Access permits
